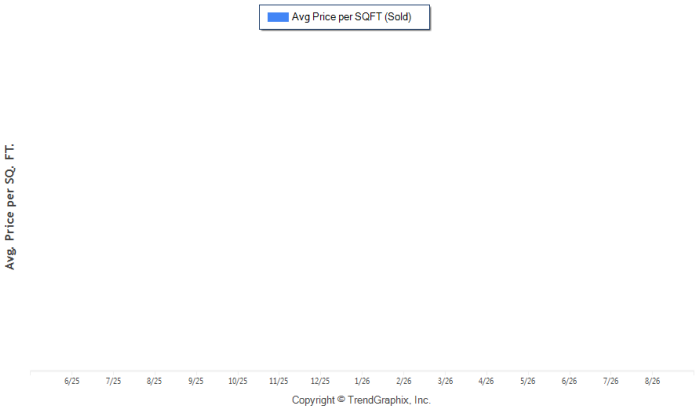
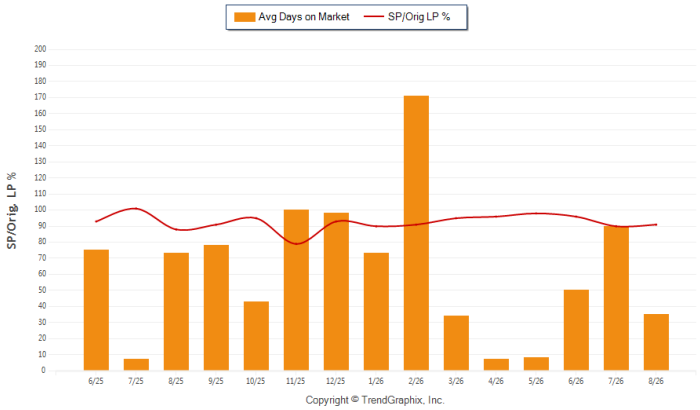
*The Average Sold Price per Square Footage was Neutral**

The Average Sold Price per Square Footage is a great indicator for the direction of property values. Since Median Sold Price and Average Sold Price can be impacted by the 'mix' of high or low end properties in the market, the Average Sold Price per Square Footage is a more normalized indicator on the direction of property values. The August 2026 Average Sold Price per Square Footage of $0.

* Based on 6 month trend – Appreciating/Depreciating/Neutral





*The Days on Market Showed Neutral Trend**

The average Days on Market (DOM) shows how many days the average property is on the market before it sells. An upward trend in DOM trends to indicate a move towards more of a Buyer's market, a downward trend indicates a move towards more of a Seller's market. The DOM for August 2026 was 35, down ***61.1%*** from 90 days last month and down ***52.1%*** from 73 days in August of last year.

*The Sold/Original List Price Ratio Remains Steady***

The Sold Price vs. Original List Price reveals the average amount that sellers are agreeing to come down from their original list price. The lower the ratio is below 100% the more of a Buyer's market exists, a ratio at or above 100% indicates more of a Seller's market. This month Sold Price vs. Original List Price of 91% was up ***1.1%*** % from last month and up from ***3.4%*** % in August of last year.

* Based on 6 month trend – Upward/Downward/Neutral
** Based on 6 month trend – Rising/Falling/Remains Steady
